Dear Mr. Harris:

Please forward the enclosed renewed application for Stay and Administrative Stay to the Honorable Neil M. Gorsuch, Associate Justice. Please find the required ten copies of the Application herein. I have included 10 copies of an errata page and its cover sheet to be circulated with the renewed application. The purpose is to clarify simple errors, dates and word omissions to complete sentences. The substance of the Application has not been altered in any way by the errata page.

Sincerely,
